

MANRAKU

THE HAPPY EEL

The secret of deliciousness

- ◎ Farmed in the rich groundwater and mild climate of Miyazaki and Kagoshima, Japan
- ◎ Our Eels are fed with specially produced herb feed
- ◎ Tasting test is conducted before dispatching to processing
- ◎ We change cooking methods for each eel

How to cook it

With a Microwave(500W)

- ① Take out the eel from inner bag and put it on a plate
- ② Cover it with a plastic wrap and warm it up in the microwave for the time below

1 – 2 pieces

3 minutes and 30 seconds

※If it's still cold, please warm it up again for 10 more seconds

We can offer a CANNED product.
